

NEWGALE CAMPING SITE

Welcome to Newgale Camping Site from Mike and Clare Harris.

Please help us to keep the site a happy, clean and safe place to be by adhering to the following:

1. Please park at least **6 metres** from the next unit
2. Please do not light fires – please raise your BBQs to prevent burning the grass. Ensure BBQs are cold before placing in the BBQ bin.
3. Please do not empty waste buckets down the toilets – use the waste disposal at the end of the block. WRAPPED nappies must be put in the nappy bin.
4. All rubbish should be bagged and tied, this includes carrier bags
5. Do not hang anything on the perimeter fence
6. Please put back any stones you have used and leave your pitch litter free
7. Please keep noise to a minimum after 11pm
8. CHINESE LANTERNS AND FIREWORKS ARE STRICTLY PROHIBITED
9. DOG OWNERS – Please ensure all dogs are kept on a lead and any doggy doo is picked up, bagged and put into a bin. We rely on dog owners to be responsible for their pets to ensure we can continue to keep the site a dog friendly haven. Please keep dogs to the designated dog zone.
